Philadelphia, Pa,

Friend Mr. Chapman:

Sometime ago you advised me that you collected stamps, especially those of Canada.

I specialize in this country and thought that you might have some duplicates which you wish to sell. I am interested in singles, blocks, pairs and strips used and unused on or off cover.

I shall be very glad to receive a selection from you in good condition. Best wishes, I remain,

Yours very truly,

Charles L. Brisley.
